Where can I get a copy of my invoices?

All account payment history and invoices are accessible via the Billing Management function in the My Account dashboard.

1. Click the My Account tab.
2. Select Billing History.
3. Select the payment/invoice you need.
4. The Invoice screen will appear. The invoice date, total balance, payment status and other details of the payment will be displayed.

You can select download the invoice using the button, or you can view the print copy using the Download PDF or obtain a print copy using the Show for Printing button.
