How do I create email accounts?

To create email accounts:

1. Login to your Virtuozzo Plesk Panel.
2. Click on the Domains shortcut.
3. Select the domain you wish to create email accounts for.
4. Click on the Create Mail Account icon under Mail.
5. Specify the new mail settings, including account name, password and mailbox size.
7. When you are ready, click on the Finish button to complete the process.
