How do I create a site-specific scheduled task?

To create a site-specific scheduled task:

1. Login to your Virtuozzo Plesk Panel.
2. Click on the Domains shortcut.
3. Click on the domain name you need to create the task.
4. Select Scheduled Tasks.
5. Select the system user.
6. Click on the Schedule New Task icon.
7. Enter the details of the task.
8. When you are ready, click on the OK button.
