

Accessing report list

- To access the report list, click "Reports" in the main menu.
The right side of the screen contains two sections. The top part shows the Report List and bottom part where it says "Report Details for 'poweruser'" shows the Report detail.
In the Report list, there are numbers of columns.
Checkbox - allows you to select the item(s) in the list
Enabled - graphically indicates the Report status(Enabled or Disabled). Enabled shows as green icon.
Disabled shows as red icon.
Name - name of the report
Owner - the report owner's name
Frequency - shows the recurrence selected for running the report. Settings are On Demand, Minutely, Hourly, Daily, Weekly, Monthly or Yearly)
Last Run Time - display date and time when the report was last generated.
Next Run Time - display the date and time the next report will be generated.
Actions - contains icons which provide access to actions over the corresponding report.
 - Edit - allows you to access the report properties window in order to change the properties
 - Delete - permanently remove the report
 - Preview - open the last report generated in a preview window
 - Run Now - generate the report and send it to specific emails
 - Disable/Enable - make the selected report disabled. The report will not be generated at scheduled time.
-
- In the Detail pane, it contains four tabs:
Summary tab - contains 3 sections
